

Dirk Peters

21-33 30th Dr. Apt. 2
Astoria, NY 11102

(509) 392-1618
rocksandwoks@gmail.com

Seeking a development position on a team that honors curiosity and excellence.

Skills

Javascript + Node, CSS + SASS, HTML, Git, Bash

Projects

Where2Surf — A wave forecasting tool for New York City surfers

Javascript, Express, Jasmine, SASS, HTML, Bash

- Designed a clean user interface with responsive CSS
- Wrote tests in Jasmine to validate forecasting logic
- Deployed the web app to remote server

Simon — Javascript version of the classic electronic game

Javascript, jQuery, CSS, HTML

- Used separation of concerns to distinguish data, events, and functionality
- Added game features including lights, sounds, and strict mode

Calculator app — Javascript version of the iPhone calculator

Javascript, jQuery, CSS, HTML

- Separated program logic into small component functions
- Anticipated edge cases such as invalid input, percentages, and decimals
